Dear Sir:

Your letter did not reach me until this A.M. - Would it be possible for you to meet me Saturday, March 15, at any hour between 9 & 12 o'clock? I am nearly 84 years of age and do not go out at night.

Dear Sir:

Your postcard came last night. I will be unable to see you on Saturday as I will be out of town. Now and then I do have a day home, ~~but~~ generally on Thursday, but not this week. I will make a point to come to see you the first chance I get.

Yours very truly,
